PERSONAL INTERESTS:

As a personal passion, I've made
a change from goat breeding to creating my own
artisanal cheese and cosmetics using goat's milk.

CORE COMPETENCIES AND TECHNOLOGY SKILLS:

- Strong communication skills, enabling to effectively and diplomatically communicate at all levels within the organization
- Demonstrated ability to work independently, developing effective problem-solving approaches.
- Strong communication skills, both written and verbal.
- Capable of influencing overall organizational objectives and long-range goals.

WORK EXPERIENCE:

HOME OFFICE SEARCH ENGINE EVALUATOR
Appen Global
8/2017 – 5/2020
In this role, I worked with one of the world's leading technology companies. My responsibilities encompassed providing insightful analysis, valuable feedback, and comprehensive evaluations of diverse data sets. Specifically, I evaluated the relevance and utility of web pages in correlation with predefined queries by meticulously scrutinizing sets of results. Notably, I consistently attained a high level of accuracy, surpassing both quantity and quality benchmarks. I found great satisfaction in contributing to Appen's mission, actively enhancing the internet experience for a diverse array of customers.
